### (S)MOCK REVERSIBLY “CABLED” SCARF

By Lily Chin for The Red Scarf Project of the Orphan Foundation

This phony cable requires no cable needle and almost resembles smocking (hence its name). It is nearly identical on both sides, definitely a plus for a scarf.

Gauge: 8 sts and 7 rows = 1” or 32 rows and 28 rows = 4”/10cm in 1x1 rib or pattern st.
